FOR IMMEDIATE RELEASE

Aitkin County Engineer John Welle received the 2017 Outstanding County Engineer of the Year Award from the Minnesota County Engineers Association (MCEA). The award was presented at the MCEA Annual Banquet held on January 16, 2018. Mr. Welle is a highly respected leader amongst his staff, peers and partner agencies. He has been active on various committees of MCEA and has served in all offices of the Association. Mr. Welle has served in two counties, and has been the Aitkin County Engineer for over 15 years. He has been, and continues to be, a valuable resource to his fellow county engineers and the industry.

MCEA members are county engineers from each of Minnesota's 87 counties who work to promote their profession and uphold the engineering code of ethics.
